

HASSARAMPER '78

Dedication 77-78

Mr. Jay Jones

"If a kid has guts, courage, determination and fortitude there isn't anything that can stop him from making a success."

So says Mr. Jay L. Jones, teacher of Civics, Arizona History and Government, English, Free Enterprise, and Math. He believes it and he proved it for the last 18 years he's spent helping Prescott High School students.

Mr. Jones went to college for four years before serving in the Navy and the Air Force as a counter intelligence agent. He also volunteered to serve in World War II. His majors were in English and P.E. and he was the first person to obtain a masters degree in special education at N.A.U. in 1964.

Lots of people know about Mr. Jones' several achievements but not enough know of the many services he has given PHS students. Many students feel they know him even though they haven't ever had him as a teacher because he's friendly and goes out of his way to talk to students and make them feel liked and wanted. During his career, Mr. Jones got over 1,500 jobs for teenagers. Over a period of several years he gave hundreds of dollars in lunch money to students who couldn't afford it.

For these reasons and many more we are proud to dedicate this year's Hassayamper to Mr. Jay L. Jones.

In his first couple years of teaching, a student made him a poster which he has kept in his classroom ever since. "I shall pass through this world but once. If therefore there be any kindness I can show or anything I can do let me do it now for I shall not pass this way again."

We're sorry you had to leave us Mr. Jones. We'll miss you. Thank you for everything.

Animals have always been a part of man's survival. They have provided us with food, tools and companionship. Let us learn to make preserving wildlife a part of our lives before it's too late. After all, weren't they here first?

Going Wild

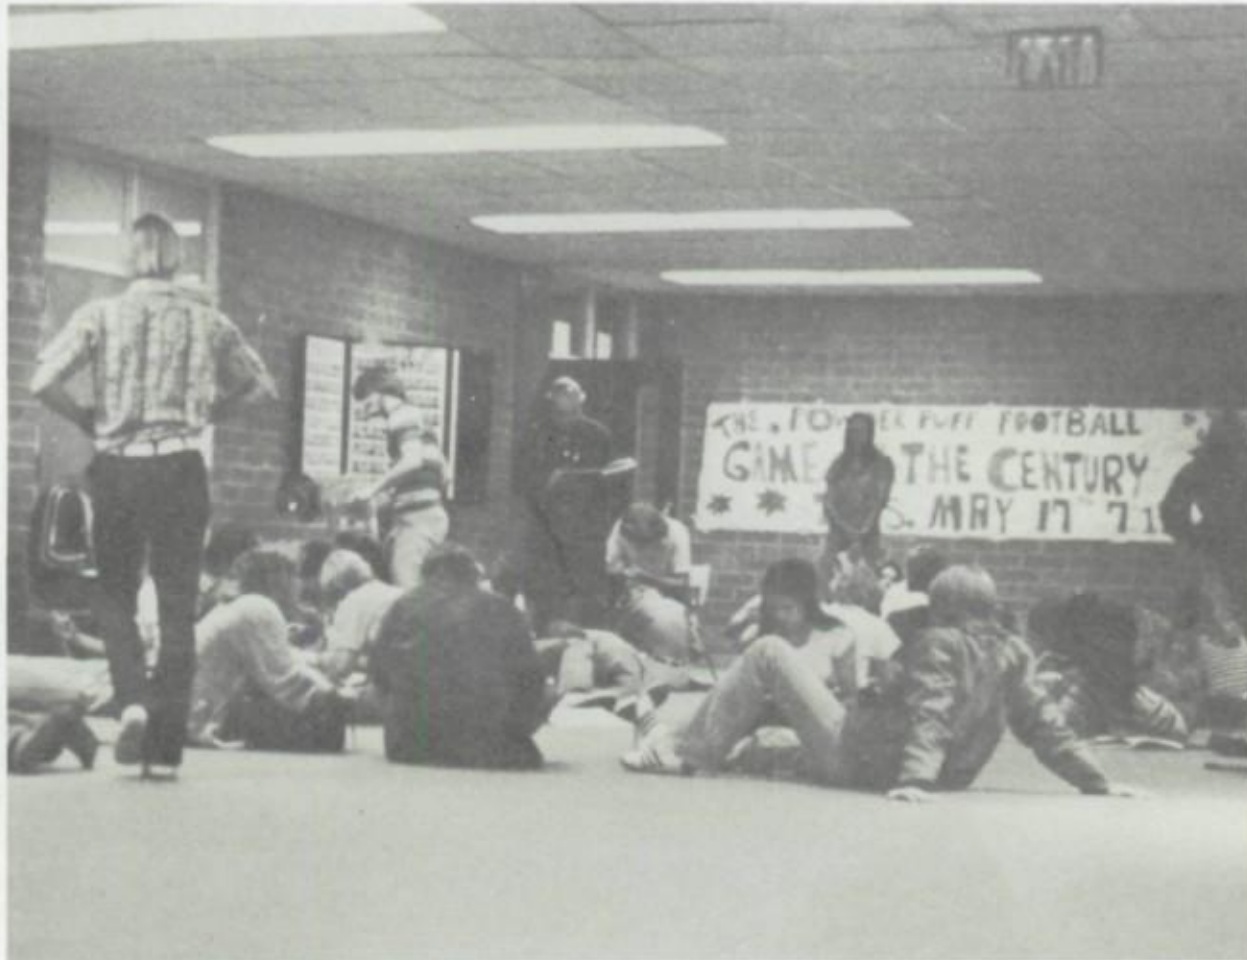

We will not forget these years

Gone Wild??

From POEMS OF A RANCH WOMAN by Sharlot M. Hall

Sunset—and the end of the trail!
Here the last footsteps fail
And I go on alone
Into the untracked ways;
I who in other days
Blazed many a road straight up
To the peaks that touch the sun—
But now is the climbing done.

Still Wild After 12

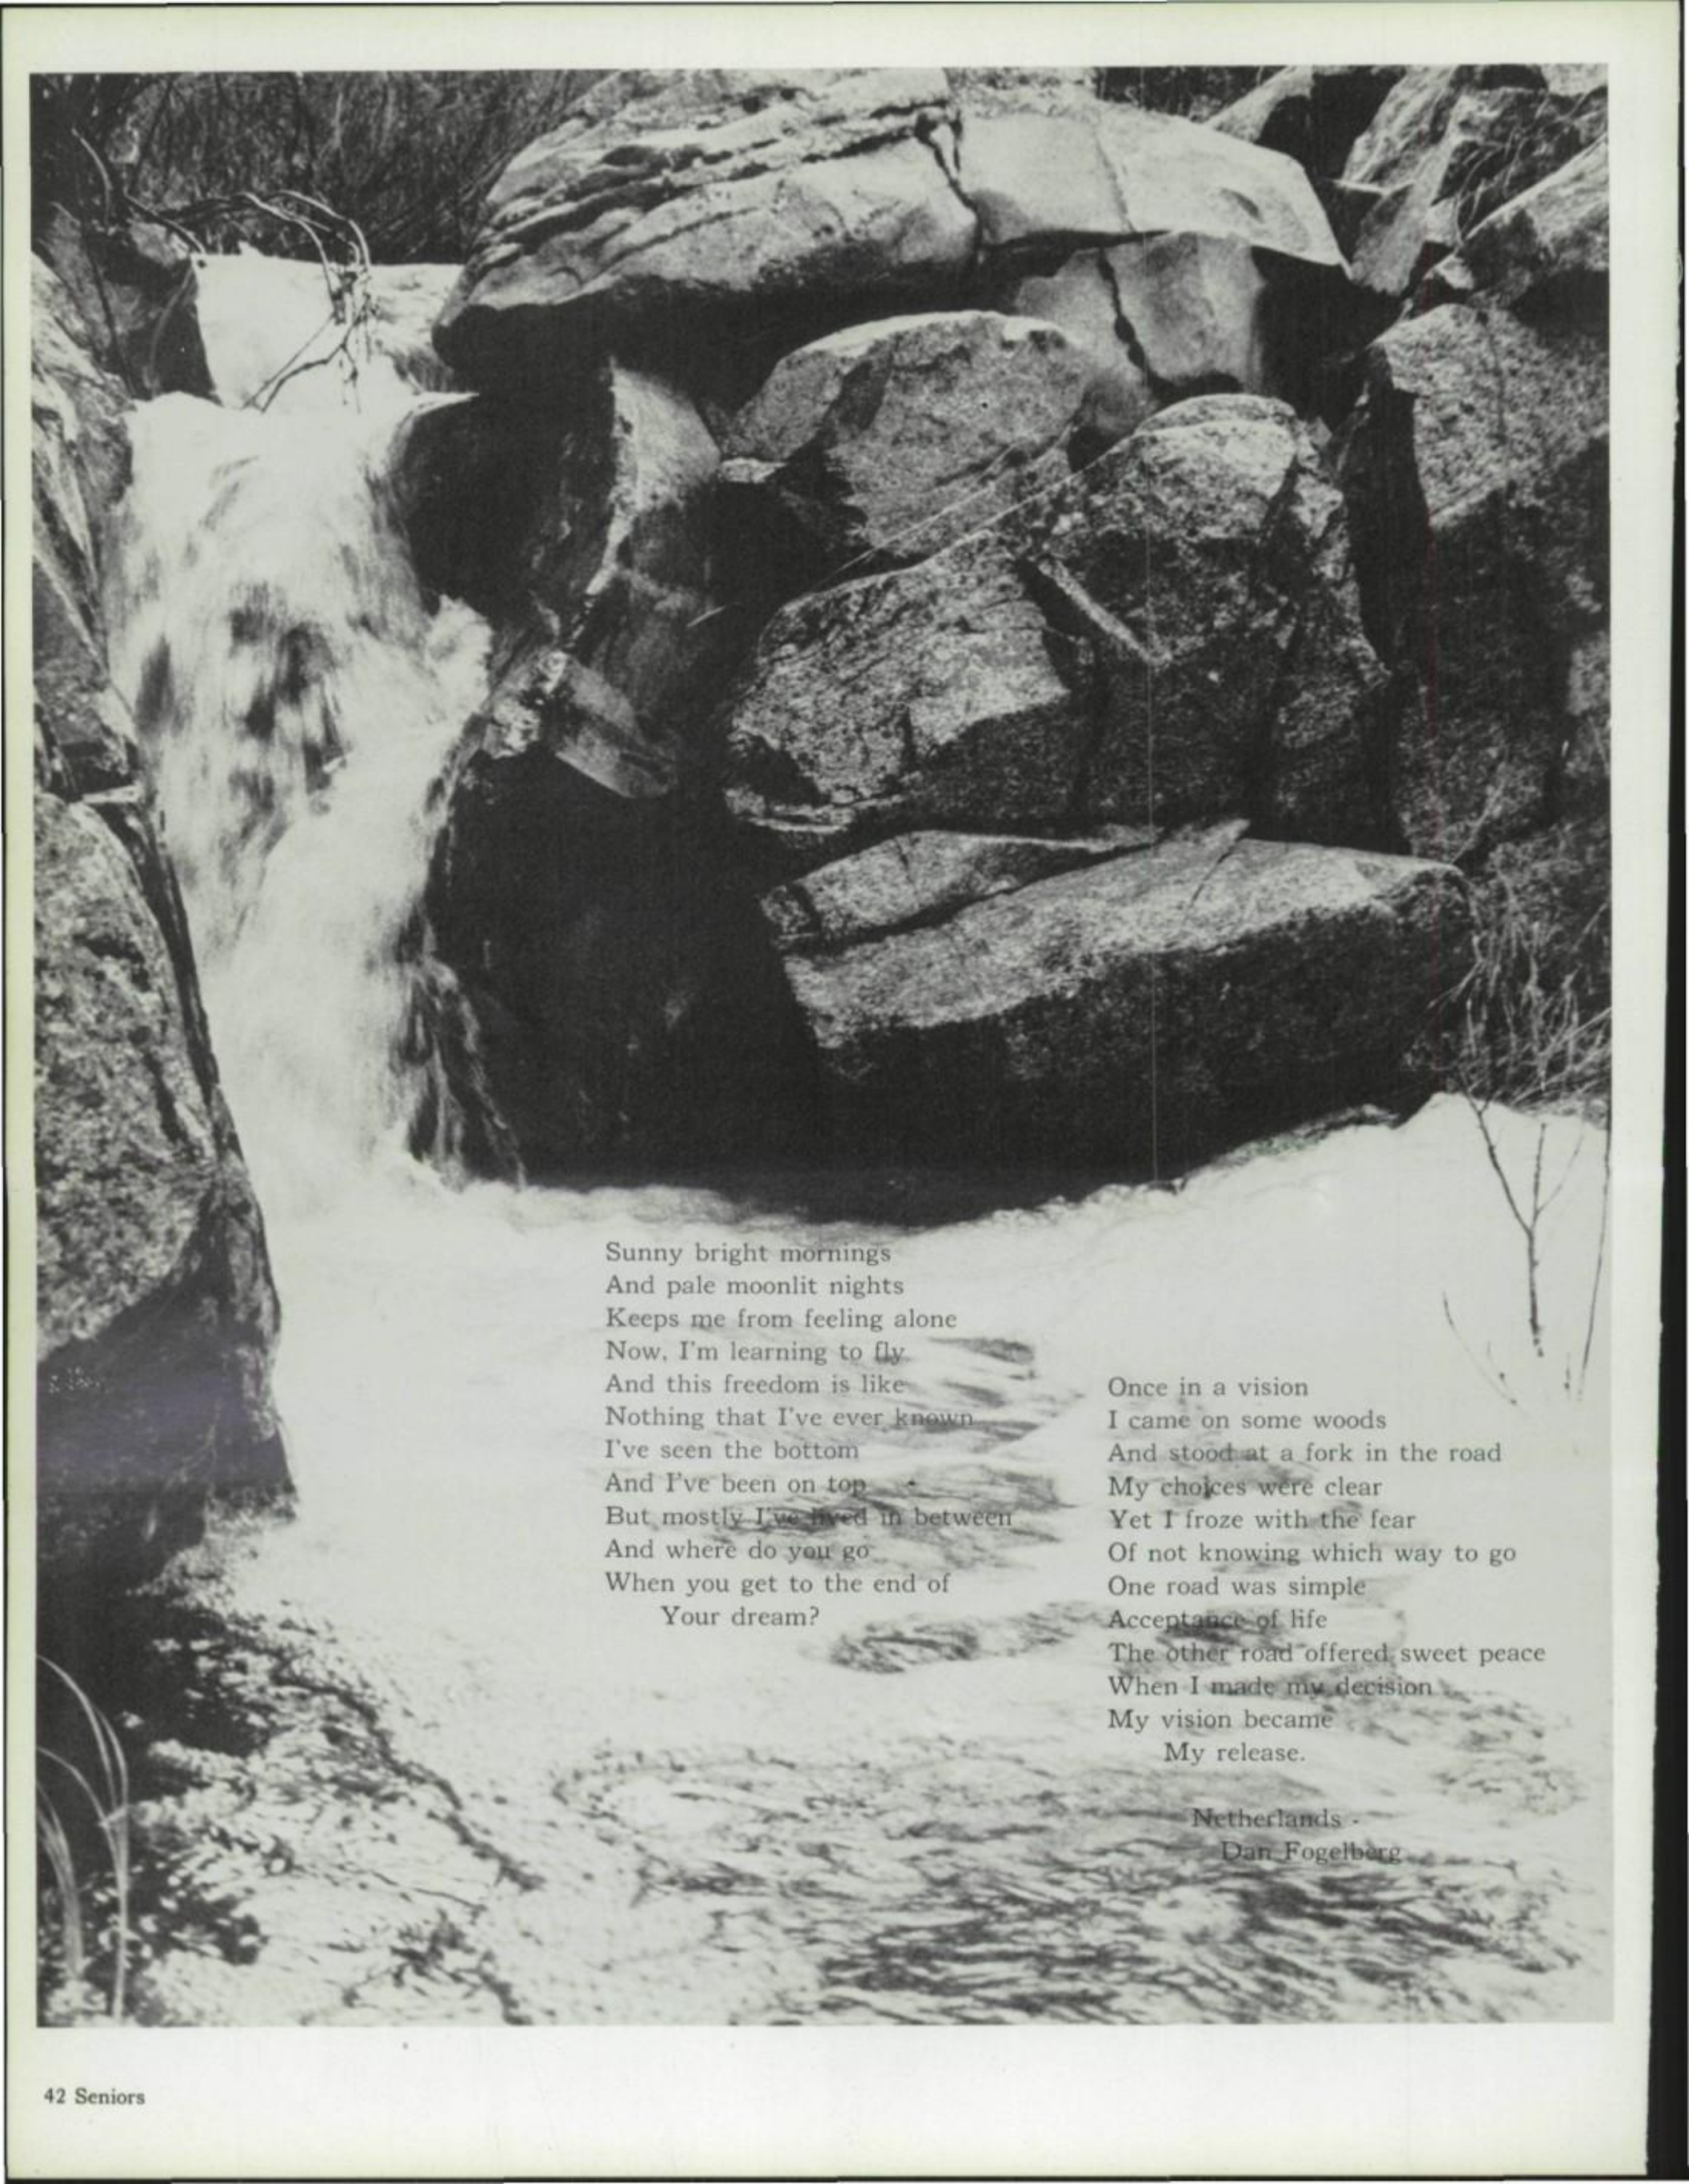

We are the
Class of 78
We are rowdy
We are great
Number 1 is
How we rate!

Long Years . . .

Sunny bright mornings
And pale moonlit nights
Keeps me from feeling alone
Now, I'm learning to fly
And this freedom is like
Nothing that I've ever known
I've seen the bottom
And I've been on top
But mostly I've lived in between
And where do you go
When you get to the end of
Your dream?

Once in a vision
I came on some woods
And stood at a fork in the road
My choices were clear
Yet I froze with the fear
Of not knowing which way to go
One road was simple
Acceptance of life
The other road offered sweet peace
When I made my decision
My vision became
My release.

"It was pouring down rain while we were camping out for Nancy Ireland's birthday at Wolfe Creek. Everyone was soaking wet and not feeling too well so I tried to light a coleman stove. All of a sudden it caught on fire! Pat Fisher threw it in the creek and then the whole creek caught on fire! Several people were wading which made it even worse. The sophomore class officers are, from left to right; Sylvia Holloman, Treasurer, Kim Cvetchovich, Secretary, Rod Dombroski,

Although the average sophomore in PHS is treated like the lowest man on a pygmy totem pole, the senior class of 78 expects them to be sophisticated seniors in two years!

Our Daring Directors!

Prescott High School is very fortunate to have two wonderful music department directors. Both men have put forth a lot of effort to make their band/choir better every year. A special thank you should be given to both Gary Snyder, band director, and David Lunt, chorus director. Your help and support has been very much appreciated.

Theatre

Who got catsup on my script?

This year the Drama department underwent revision with the supervision of Mr. Chadwick. Classes had a "return to basics," according to Mr. Chadwick, "to secure a better background for the performing arts."

The Beginning Drama classes participated in several one-act plays that proved to be good experience for them.

Intermediate Drama spent a lot of time producing a children's show called "The Incredible Journey of Fenda Maria".

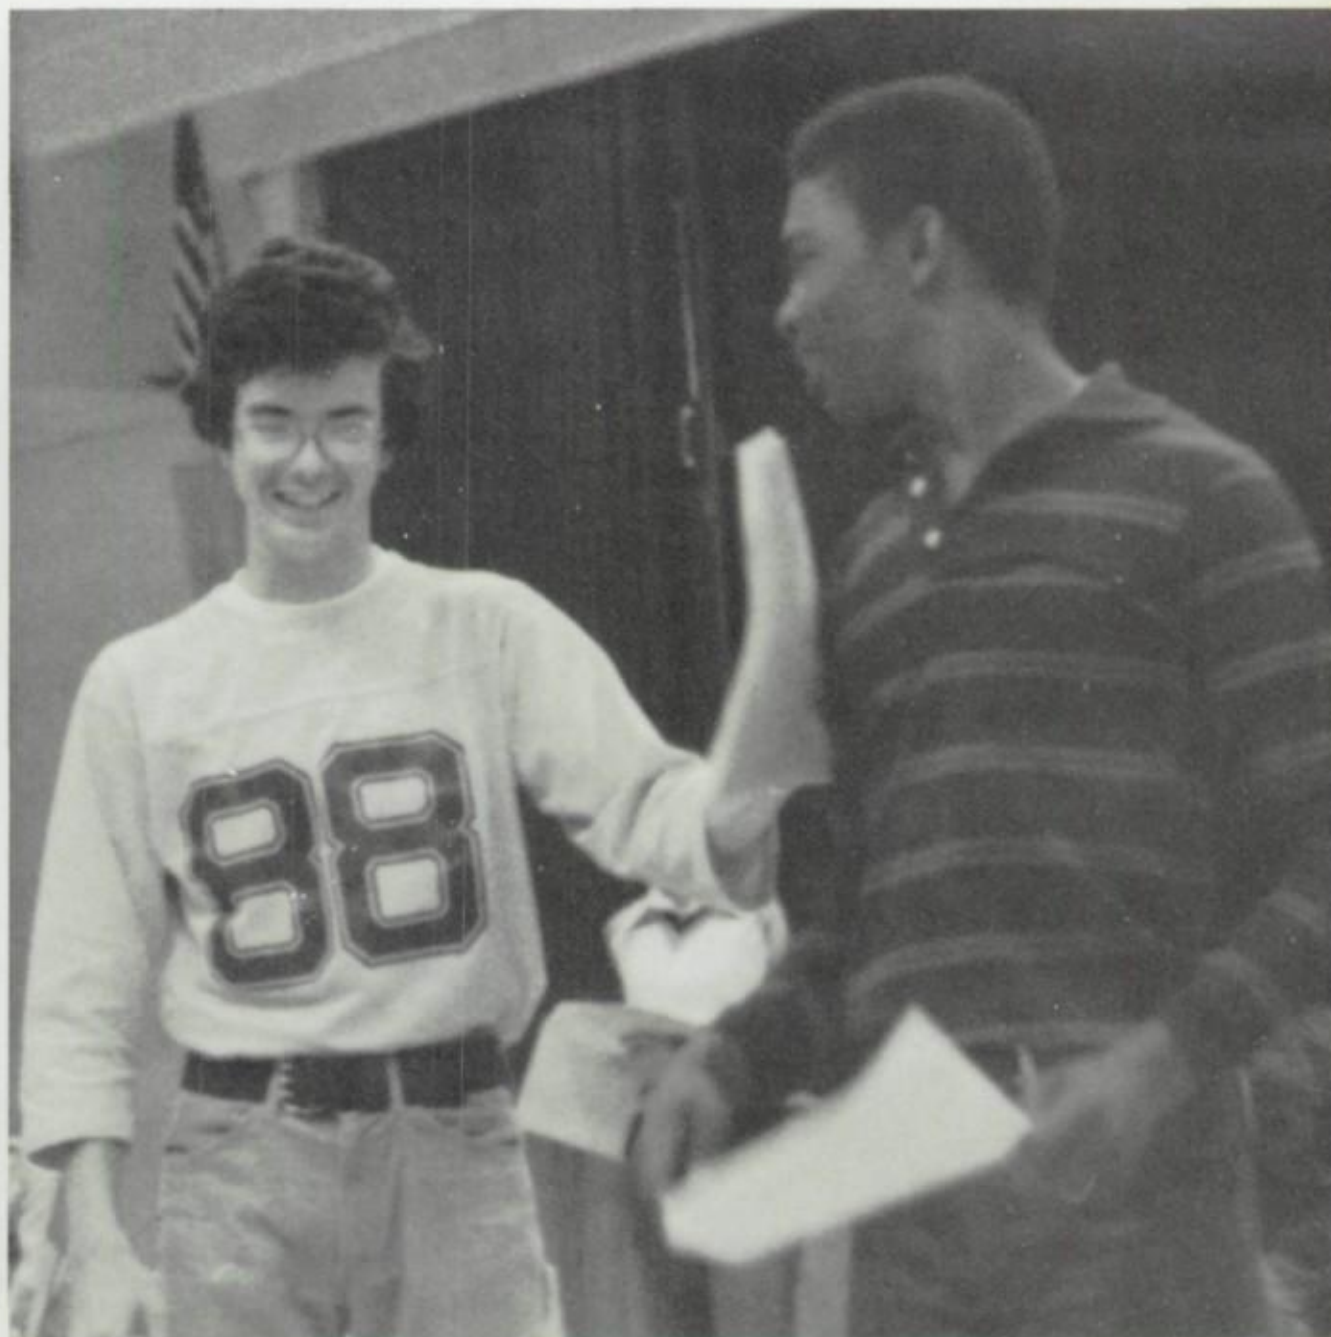

The Advanced class made video-tapes of scenes from several major productions for Media competition. They also performed a one act play for District Competition. A full length play was performed for the school with success.

SPORTS

The Prescott Badger varsity football team this year was plagued by a number of losses, but even so, the team has performed well. Many injuries before and during the year caused the Badgers problems. At this deadline to date, the win/loss record was 2 & 8. Even as the team did not have much of the thrill of victory, their spirit was always high, looking forward to the next game. The Hassayamper and student body of PHS congratulate the Badger Varsity Football Team of '78.

The J.V. football team came through with a good record of 7 wins, 0 losses, and 1 tie. This scrappy team caused many heads to turn in this season. They showed great promise for the varsity teams to come. A good-luck and thanks to all PHS football players of '78 and special thanks to their coaches.
